CAREER ADVICE

Listen to a professor give advice on what to study at the university. Decide if each of the statements below are True (T) or False (F) according to what she says.

- Any personality is compatible with any career.
- Very sensitive people would be happy as doctors.
- People who are good with technology should consider engineering.
- Outgoing people can be good social workers.
- Introverted people should choose a job that allows them to work in groups.
