## THE SCREAM! MACHINE

**A** My friends all loved the ride. 'Wow! That was amazing!' said Kai, after we finished. But I felt ill and I wanted to sit down. Just then a park attendant made an announcement.

'Ladies and gentlemen. We have some special visitors to the park. The Run are coming. Stand back and wait here, please.'

Everyone was very excited because The Run are our favourite band.

'That's incredible!' said Kai. 'Let's wait and see them.'

**B** Last week, I went on a trip to a fantastic theme park. It was my friend Kai's birthday so there was a big group of us. We arrived at 9am, so we were the first people in the park. Kai wanted to go on the biggest ride, The Scream Machine. It was very scary and very high – about 50 metres high. It was also the fastest ride in the park.

**C** Olivia and I went to the café and got a drink. We sat down in a corner. The café was empty. It was lovely and cool, too. After a few minutes, I felt better, but Olivia was bored. Just then, the door opened. A tall man walked into the café. A woman followed him

**D** We waited in the crowd. Lots of people had their cameras. It was hot.

'I'm sorry, Kai,' I said. 'I don't feel well. I need some water and I need to sit down.'

'OK, but we're staying here,' said Kai. 'I really want to see The Run.' Will, Carmen and Rob all agreed.

'Text us when you feel better,' they said.

'Don't worry, Daniel, let's go to the café and get you a drink,' said Olivia.
