

ACTIVITY: Read the text and complete the spaces with the correct past participle of the verbs. Share ideas with the class.

Be Be Eat Have Live Meet See Travel

I think I have a very interesting life. I'm 73 now and I don't work anymore. I was in the army for 51 year. I retired when I was 69. I live in a small town in Luissiana.

I have here for the last 20 years. To be precise, since 1995.

I have to so many countries: to Australia six or seven times and to South Africa three times. I have also been once in Russia but I didn't like it at all: much too cold

for me! I have never been to Scandinavian countries but I would like to. They say that love is the greatest thing and I agree.

I've married four times but never for more than five years. I don't think women really understand me!

I've never been on television, but I've been on the radio once. It was a programme about life in the military about twenty years ago.

Actually, I've a lot of famous people: members of the royal family, famous politicians and also famous cinema and television personalities. I've never met the American President though which is a pity.

Because I've lot all over the world.

I've a lot of wonderful things and have also and drunk some strange foods and drinks. I ate cat and rat in India and drank something called Mirto on a little island in Italy many years ago. That was the first time that I have ever eaten a cat and rat.
