

Match the two halves and write them again.

1. How many hippos	
2. There are a lot of	
3. How many dogs has	
4. How many brothers have	
5. He's got a lot	
6. They have	

A	got three jumpers.
B	of books.
C	you got?
D	Sue got?
E	monkeys on the tree.
F	are there at the zoo?

Be careful.

Φτιάξε ερωτήσεις με το **how many** και τα **there are, have got** ή **has got**.
Πρόσεξε τις απαντήσεις για να βοηθηθείς. Μην ξεχνάς να ξεκινάς την πρόταση με κεφαλαίο, να βάζεις τελείες και ερωτηματικά, όπου χρειάζεται. Δε χρειάζεται να ξαναγράψεις την απάντηση.

Προσπαθώ και τα καταφέρνω!

1. How many / giraffes / -----? – There are six giraffes at the zoo.
2. How many / pencils / ----Sue----? –She's got twelve pencils.
3. How many / chairs/ -----? – There are four chairs in the kitchen.
4. How many / books /----they ----? – They have got a lot of books.

Δε βιάζομαι!

Μπορείς να συμπληρώσεις τις ερωτήσεις με

are, have, has, got, how or many . Μπορείς να χρησιμοποιήσεις τις λέξεις περισσότερες από μία φορές.

- How many elephants _____ there at the zoo?
