Hello John,
How are you? Last month, my family and I went on a trip to Egypt. It was very hot and sunny there. We rode camels to the Pyramids of Giza. They were very big. I took a lot of photos. We saw mummies at the museum. They were scary, but they were interesting too! I liked the mummies' treasures the most. Aunt was fun! Kevin

Drag and drop the answer.

Have fun because they were many animals.

Last weekend

School trip

The children

By school bus

At the zoo
