Here comes a wave meant to me	'Cause I
A tide that is taking me under	I cannot start to crumble
Swallowing in sand left with	So come o and try
My voice in the thunder	Try to shut me and cut me down
But I won't cry	I won't be silenced
And I won't start to	You can't keep me quiet
Whenever they try	Won't tremble when you try it
To shut me or me	All I know is I won't go speechless
	speechless
I won't be	
You can't me	Let the storm in
Won't when you try it	I cannot be
All I know is I won't go	No, I won't live
	'Cause I know that I won't go
'Cause I'll breathe	
When they try to me	Try to lock me in this cage
Don't you me	I won't just lay me down and die
'Cause I know that I won't go	I will take these broken wings
	And watch me burn across the sky
Written in stone	Hear the echo saying
Every rule, every word	
Centuries old and unbending	
'Stay in your place'	
'Better seen and not heard'	
But now that story is ending
