

Chocolate biscuits

1 It's Saturday morning. Joel and his dad are reading in the kitchen.

Dad, can my new friends come round? We're doing a Science project for school.

Yes, of course. Go and tidy your bedroom first.

2 Alfie arrives and Joel's dad opens the door.

Hi, I'm Alfie. Is this Joel's house?

Yes. Hello Alfie, come in!

4 When Daisy and Megan arrive, Joel opens the door.

Hi, Joel!

Hi, come in! We can do our project in the living room.

3 Dad and Alfie go to the kitchen.

Great, thanks.

Joel's tidying his bedroom. You can wait here. Have a biscuit and some juice.

6 Daisy, Megan and Joel decide to have a break.

I'm tired.

Me too, and I'm hungry!

There's some juice and chocolate biscuits in the kitchen. Come with me!

5 It's fun doing a project with friends.

Yes, but where's Alfie?

I don't know. He's very late.

7 The children find Alfie in the kitchen.

Alfie, you're here!

Where's the juice and chocolate biscuits?

Um... in my stomach, sorry!

Task 1. Find the words.

A day of the week: _____

A school subject.: _____

You sleep in this room: _____

You watch TV in this room: _____

You can eat them. _____

You can cook _____
