1. _____

It is a second floor house and has got four big windows and a little one in the garage. The colour of the front wall is salmon and pink the rest of the house!

2. _____

There are seven rooms. There is one living room near the entrance. Next to it, there is the kitchen that also is in front of the stairs. Upstairs, there are three bedrooms, one bathroom and the attic. My bedroom is the biggest next to the bathroom. Todd's and Rod's bedrooms are in front of the stairs.

3. _____

This bedroom is very nice! There is a bed, a blue cardboard and a desk. On the desk, there is a computer that my sons play after finishing the homework. It is a very comfortable room for a teenager boy! Ups! There are a lot of family pictures of us on vacations!

4. _____

Finally, this room is very important to save the car! It is next to my neighbour's house (The Simpsons family). It is small because only one car enters but it is good! There is also a little window to light it up when it is closed.
