Position of 😊 Frequency adverbs 😊

Frequency adverbs (always, usually, often, sometimes, never) a jejich pozice ve větě

Remember!

- Main verbs / Významová (hlavní) slovesa (do the shopping, wash, have breakfast, eat, watch, play ...)

My mum **often** **does** the shopping on the Internet.

Moje mamka **často** **nakupuje** na internetu.

My sister **doesn't** **usually** **wash** the dishes.

Moje sestra **obvykle** **nemyje** nádobí.

→ Frequency adverbs (always, usually, often, sometimes, never) → jdou **PŘED** významová (hlavní) slovesa (main verbs)

Verb to be / Sloveso být (a jeho tvary am - is - are)

My dog **is** **always** hungry in the evening.

Můj pes **je** **vždy** večer hladový.

My dog **isn't** **usually** hungry in the morning.

Můj pes **není** **obvykle** ráno hladový.

→ Frequency adverbs (always, usually, often, sometimes, never) → jdou **ZA** sloveso být (am - is - are)

Pozor na to, že v angličtině - narozdíl od češtiny - je vždy možný jen jeden zápor:

!! 😊 Daisy **never** **drinks** coffee. "Daisy nikdy nepije kávu."

— 😞 Daisy ~~doesn't~~ ~~never~~ ~~drink~~ coffee. =
