| PRÁCTICA ÁREAS DE FIGURAS | CURSO 1° MEDIO |
|---|---|
| **Objetivo de la clase**<br>1. Determinar el área de figuras sombreadas | |

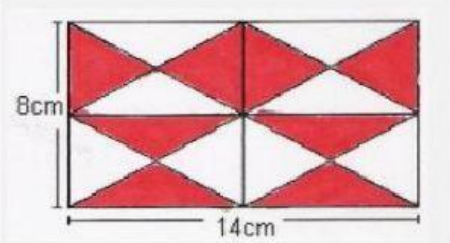

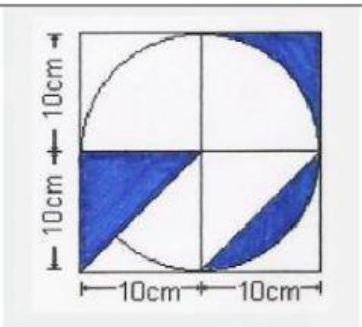

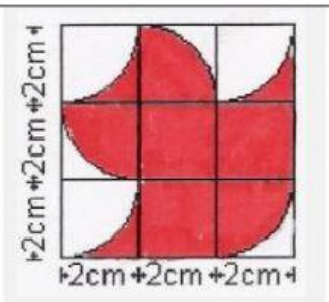

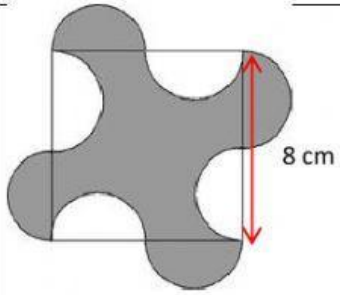

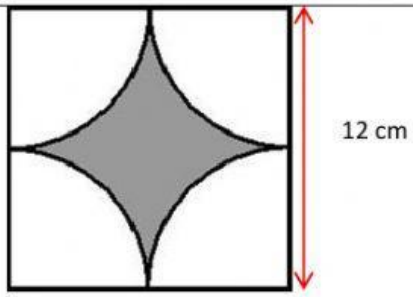

| | | |
|---|---|---|
| | **Determina las áreas sombreadas, recuerda que puedes mover partes de las figuras para completar figuras conocidas, por ejemplo, en la siguiente figura puedo mover uno de los triángulos y el área sombreada será el área de la mitad de un cuadrado:**<br> | **RESPUESTA** |
