

# ***MORE THAN LOVE***

*(Hơn Cả Yêu with English Cover version)*

**Singer** : Duc Phuc - Nhi Nhi

You always ask me

how deep my love is

I don't know \_\_\_\_\_ to put it

To show you my true feelings

\_\_\_\_\_ at you

***(V-ing)***

I can see you in my \_\_\_\_\_

You're my past and my \_\_\_\_\_

You're my lasting present

Though I rarely say it out loud

I always love you to the moon and back

Seldom can I put it into \_\_\_\_\_

Could you \_\_\_\_\_ it with your heart ?

Mountains and \_\_\_\_\_ can't compare

My love is greater than land and \_\_\_\_\_

I love you, I love you that much

\_\_\_\_\_ than wind, wider than the ocean

Higher than the \_\_\_\_\_ clouds in the sky

**(COLOR)**

No words can describe

my \_\_\_\_\_ for you. It's now more than love.

### **VERSE 2**

I can still recall the day we \_\_\_\_\_ met

I didn't think that would be

The \_\_\_\_\_ time I fall in love

Now I can't even think of having anyone else

Cause I've got you \_\_\_\_\_ with me

By my \_\_\_\_\_ to eternity

Though I rarely say it out loud

I always love you to the moon and back

Seldom can I put it into \_\_\_\_\_

Could you \_\_\_\_\_ it with your heart ?

Mountains and \_\_\_\_\_ can't compare

My love is greater than land and \_\_\_\_\_

I love you, I love you that much

\_\_\_\_\_ than wind, wider than the ocean

Higher than the \_\_\_\_\_ clouds in the sky

No words can describe

my \_\_\_\_\_ for you. It's now more than love.

Mountains and \_\_\_\_\_ can't compare

My love is greater than land and \_\_\_\_\_

I love you, I love you that much

\_\_\_\_\_ than wind, wider than the ocean

Higher than the \_\_\_\_\_ clouds in the sky

No words can describe

my \_\_\_\_\_ for you. It's now more than loveeeee !!!
