

YEAR 5
UNIT 4
LEARNING WORLD

By Madam Wany

LIVEWORKSHEETS

MY DREAM SCHOOL

My dream school has an enormous and beautiful building. The design is really unique and modern. It uses a solar panel to generate electricity.

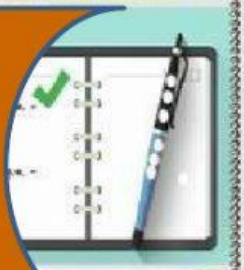

The school is situated next to a greenery park with garden view that has a lot of fruit trees and there are many people talking about future and other things.

The school cafeteria is spacious and has various types of food such as Italian, Japanese, Indian, and American cuisines.

The class starts at 8.00 a.m. and finishes at 1.30 p.m. daily. It's my dream because I can have an ample time to eat my breakfast in the morning and lunch at home with my mum.

The classroom is equipped with the latest technology such as laptops, smart boards and futuristic boards.

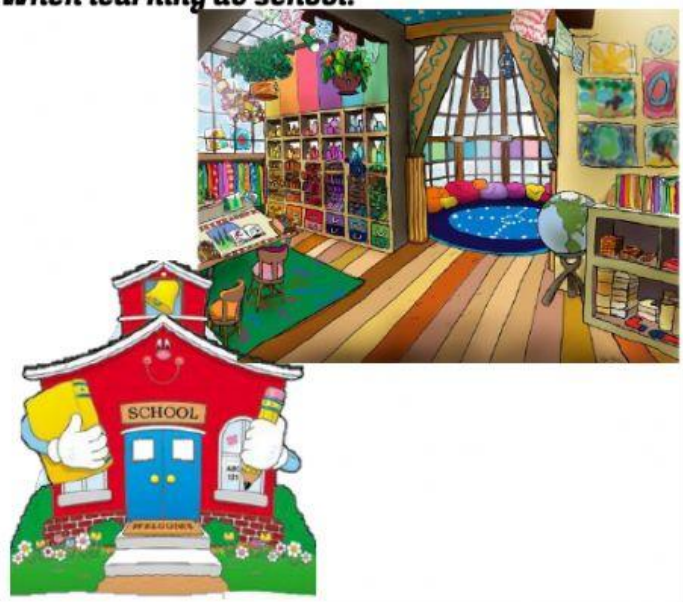

The teachers and students are friendly. Everyone enjoys learning the compulsory and optional subjects interactively.
