a girl, books, leaves...etc.

## Paper Rabbit making steps:

- I took a square sheet of paper.
- Then I folded it into half.
- Next, I folded the paper again upwards.
- After that, I cut the paper as shown in the picture.
- Then, I folded the flaps downwards.
- Next, I drew its eyes on both sides.
- Lastly, I expanded the pockets to show its ears.
- My paper rabbit was ready.
