Reading stories is so much fun  
Our English book has plenty of them  
My friend likes mathematics  
Not just problems but also tricks

My brother is fond of drawing  
Birds singing and rivers flowing  
My sister always plays with clay  
Makes pots and toys to play

My cousin plucks leaves and flowers  
Presses them between books and papers  
Many to do, not just one  
In our school learning is fun
