

SYDNEY – AUSTRALIA

Sydney is an important city of Australia. It is the capital of New South Wales, Australia. It is Australia's oldest and largest city, with a population of more than 4 million.

Sydney is famous for its beaches, bays and national parks.

Sydney was first visited by the British in 1770. It has many famous places. One of the most famous points is the Opera House. It opened in 1973 and it became World Heritage Site in 2007. The Opera House is famous for having important and different types of art, like theatre, ballet, or opera.

Another important place to visit is the Harbour Bridge. This bridge started in 1932, with one lane for people, one for bikes, 2 for trains, and 8 for cars.

Another place to visit is the Australian Museum. It is the oldest museum in Australia. It was created in 1827 and it is one of the most important museums of the country.

If you go to Sydney, you will also have to visit the Sydney Tower. It was opened in 1981 and it has 19 floors. If you go to the highest point, you will see a 360 degrees view from the Pacific Ocean.

And the most important thing: **DON'T FORGET TO VISIT THE BEACHES BECAUSE SYDNEY HAS THE MOST IMPRESSIVE BEACHES IN THE WORLD!**
