

School Subjects

Listen to some people talk about subjects they liked in school and complete the script.

Arienne, Norway

In school, when _____, I had **a bunch of** subjects, but my favorite subjects were maybe language subjects and _____. I like _____ and I like learning languages. The subject I was not very good in was _____ and _____, basically just because I didn't like them very much.

Lupe, Mexico / United States

My favorite school subject was always _____. I loved to _____ and _____ so I used to really like getting to do essay assignments because I could write on for hours. You know my friends would even **tease** me that I would put my head down and there I went to write and write and write. I can write all the time and I love reading new books. When I finish one, I already have the next one all set. The one thing I didn't like about the English class was that we had to do _____ reports. I really didn't like _____ reports because most of the time I ended up reading a book I was assigned and didn't really like therefore it wasn't an enjoyable assignment.

Fred, Canada

OK, my favorite subjects in school. Well, when I was in high school, I loved _____ and _____ and _____ but then I **changed my mind** quite drastically I became to love topics such as humanities, psychology, philosophy and subjects like those. The subjects that I hated the most were probably _____ language subjects, _____ language subjects, anything that dealt with language, I did not like at all.

Jeff, Canada

My favorite subject: my favorite subject is _____ and I remember one year, I had a geography teacher named Mr. Hall and he was a great big _____ man with a long grey beard and a great big belly and he looked like Santa Claus and it was lots of fun always learning about the world and the cities and the _____ from Mr. Hall, so geography's my favorite subject.

Shibika, India

My favorite subject would be _____, you know, because I have a lot of interest in the human _____ and I like to study, yeah, about it. It's really interesting. And my grades were always high in _____ so.

Rebecca, Australia

The subjects I was good at school was the _____, which I loved because we played a lot of _____ all the time. I was also good at _____. I could *pick up* the programs very easily. The one subject that I was not good at was _____ which is funnily enough. I am an English speaker.
