POSTCARD

Dear Sam,

Greetings from Scotland! I'm here with my family and we are staying in a **cabin** in the mountains. The weather is **freezing** and right now it's snowing. There's a lot to do here. We usually go snowmobiling in the mornings and go skiing in the afternoons or play in the snow. It's very exciting. At the moment, Dad is listening to a football match on the radio because there is no internet or cable TV in the cabin. He's a big **fan** of Liverpool. Katie, my little sister, is making a snowman. She's using a cucumber for the snowman's nose. This is really **unusual** because people normally use a carrot for it. My mum, Annie, is making hot chocolate for us. She doesn't have any **chores** to do because we did them all together. So, right now, she has a lot of **free time**. I'm having lots of fun here! See you on Friday.

Bye for now!
