

EVALUACION TABLAS DE MULTIPLICAR

1. coloca el número que falta.

$5 \times \square = 40$

$9 \times \square = 9$

$3 \times \square = 15$

$4 \times \square = 20$

$2 \times \square = 16$

$1 \times \square = 9$

$6 \times \square = 36$

$10 \times \square = 50$

$8 \times \square = 32$

$11 \times \square = 22$

2. Resuelve las multiplicaciones

	5	6	7
		x	2

	7	8	3
		x	3

	4	9	1
		x	5

	2	4	7
		x	4

3. Resuelve

$1 \times 5 = \square$

$2 \times 3 = \square$

$3 \times 4 = \square$

$5 \times 6 = \square$

$6 \times 3 = \square$

$7 \times 8 = \square$

$8 \times 4 = \square$

$9 \times 10 = \square$

$2 \times 8 = \square$

$3 \times 7 = \square$

$4 \times 4 = \square$

$5 \times 1 = \square$

$6 \times 0 = \square$

$7 \times 2 = \square$

$8 \times 11 = \square$

$10 \times 4 = \square$
