# A whole new world

I can show your you the world
Shining, shimmering, splendid
Tell me, princess prince , now when did
You last let your heart hall decide?
I can open your eyes Is
Takes take you wonder by wonder
Over, sideways and under
On a magic carter carpet ride
A whole new world wall
A new fantastic point of view
No one to tells tell us, "No"
Or where to go do
Or say says we're only dreaming
A whole new world
A dazzling place I never knew now
But when I'm way up here
It's crystal clear near
That now I'm in a whole new world with meet you(Now I'm in a whole new world with you)
Unbelievable sights nights
Indescribable feeling
Soaring, tumbling, freewheeling
Through an endless diamond spy sky
A whole new my world (don't you dare close your eyes)
A hundred thousand things to sees see(hold your breath, it gets better)
I'm like likes a shooting star,
I've come so far I can't go goes back to where I used to be
A whole new world
With new horizons to pursue
I'll chase mase them anywhere
There's time to spare separe
Let me share this whole new world with you
