

MARCOON 5

1. Listen and complete the spaces with the words from the box

BEFORE LATE ASKED SAY LISTEN THINGS

I her to stay but she wouldn't
And she left I had the chance to
The words that would mend the that were broken
But now it's far too she's gone away

2. Listen and choose the correct word.

Every **night / day** you cry yourself to **sleep / see**
Thinking why does this **matter / happen** to me?
Why does every **problem / moment** has to be so hard?
Hard to **believe / see** it?

CHORUS

3. Put the lines in the correct order.

- ___ Just give me one more chance to make it right
- ___ I won't go home without you
- ___ It's not over tonight
- ___ I may not make it through the night

4. Match the halves

The taste of her breath,	it crushed us every day
And the noises that she made	that remain unspoken
The weight of the things	I'll never get over
Built up so much,	kept me awake

CHORUS

5. Spot the mistake and correct it

Of all the things I've said
I've never really talked
Perhaps the worst is that I always let you go
I should not ever let you come

CHORUS (x2)

I won't go home without you
