Read the following passage and choose the option (A, B, C or D) that best answers each of the questions below.

Toy Story is not only the best Disney film because it has the best story and the best animation, but also because of the excellent actors chosen to provide the voices of the animals. The casting was perfect from top to bottom, and the movie provides an excellent adventure story about friendship and loyalty that keeps you engrossed until the **nail-biting** climax.

Tom Hanks and Tim Allen provided excellent voices for Woody and Buss Lightyear – their performances alone are one of the biggest things that made this such a spectacular movie. Besides that, though, you have the excellent story that is not only noteworthy because it has never really been told from this perspective before, but also because it was just told so well. All of the characters in the film are very well developed and all have **appropriate** and effective actors chosen to provide their voices.
