

Hi! I'm Sue and I'm twelve years old. My father is a scientist and works in a laboratory and my mother, Angelina, is a nurse. She works a lot of hours during the week and on weekends too.

I have two sisters and one brother. My brother is a firefighter and my older sister, Lucy, is a waitress. The little Pam is just a baby! I'm a student now but I want to be a writer because my favourite activity is reading!

Use 1, 2 or the words.

Sue's mother works in a _____

Angelina _____ during the weekend.

How many girls are there in Sue's family? _____

Where does Lucy work? _____

What does her brother do? He _____

What does Sue like doing? _____

Read and choose:
