The Amazon Rainforest

It's hot and wet in the Amazon rainforest and there are a lot of tall trees. The Amazon river runs through the rainforest. It's very long. A lot of animals live in the rainforest and the river. Look!

parrot

These parrots have got very long tails. They're pretty colours.

hummingbird

These birds are very small. They drink nectar from flowers. They like red, orange and yellow flowers.

tapir

These animals have got short necks and big ears. They live next to the river. They eat leaves and fruit. They love bananas.

Giant tarantula

These big spiders have got long legs. They live under the leaves in the rainforest. They can eat a bird or a mouse.

- a. It's hot and wet in the Amazon
- b. Parrots have short tails
- c. Tapirs eat meat
- d. Hummingbird like red, yellow and orange flowers
