|   |   |   |  |                                                                                      |
| shower                                                                             | sings                                                                              | hide                                                                               | swims                                                                               |                                                                                      |
|  |  |  |  |  |
| tennis                                                                             | skating                                                                            | watch                                                                              | river                                                                               | sailing                                                                              |

#### 1. Fill in the blanks.

Hello! My name's **Julie** and I'm ten. My brother is called **Ben**. He's older than me. In the school holidays, I have a shower before breakfast every morning, but sometimes my brother doesn't! We often play (1) ..... in the mornings because we're very good at sport. In the evenings, we never (2) ..... movie on TV in the holidays because it's good to be outside. We like fishing in the (3) ..... in the holidays too, but we never catch any big fish! We go to the beach too. Our dog, Busy, always comes with us and (4) ..... in the sea! We have a boat and sometimes we go (5) ..... with our father in it. I love the holidays!

#### 2. Answer the questions.

1. What do Julie and Ben often play in the mornings.

.....

2. Why do they never watch movie on TV in the evenings?

.....

3. Do they sometimes go sailing with their father?

.....

## II. Unscramble. Then write.

1. like / Does / football / Tom / playing?

.....

2. does / What / Carla / doing / like?

.....

3. Peter / good / Is / chess / playing / at?

.....

4. marbles. / Susan / playing / likes /

.....

5. good / Susan / are / and / John / at / swimming.

.....

6. What / do / like / Tom / and / doing/ Carla?

.....
