The Daffodil Hunt

Instructions: Choose the right Chinese meaning for the names for COLOURS in the drop-down boxes. Then search for drop-down boxes next to daffodils. If you find the drop-down box for a daffodil, choose 'shuixianhua' ('Daffodil' in Chinese) to earn your points. After you have chosen all the Chinese for all the colours in English and found all the daffodils hidden, click 'Finished'. Then you can 'check your answer' or 'email the answer to your teacher'. Have fun and good luck! My email address is : grissetto@diocesan.school.nz
