2. VERBS ENDING IN **ER**
3. VERBS ENDING IN **IR**

- AR	- ER	- IR
------	------	------

Pay attention:

HOW TO CONJUGATE THE VERBS:

1. If you notice we get rid of the LAST TWO LETTERS, which is always; **AR-ER or IR**
2. Then, we add the endings of each verb. WHAT ARE THE ENDINGS OF EACH VERB? Please look at this:

FOR VERBS, WHICH THE LAST TWO LETTERS are AR, THESE are the ENDING **YOU HAVE TO ADD (in RED)**. See the EXAMPLE with the VERB AMAR → TO LOVE in English
