I **remember** how good it was back then
And I *said* "it's not too late to **start** again
We *could* **spend** the night together, *take up where we left off*"
She used to love me a lot
But I **panicked** as she *turned to walk away*
As she **went** out the door I **heard** her say
"Yes I'm in need of something, but something you ain't **got**
But I *used to love* you a lot"
