

## LESSON 1: The Bible is God's Word

Moses had been leading God's people for a long time. Soon Moses died. Who would be the leader of God's people then?

God spoke to Moses' assistant, a man named Joshua. God said, "My servant Moses is dead. I want you to lead my people."

Leading God's people was a big job. There were plenty of people. Taking care of them meant many problems for Joshua. Could he do the job?

God spoke to Joshua. "Be strong and brave. If you obey my Words, I will always be with you. Don't be afraid. I will never leave you."

Joshua was glad to know that God would help him. Joshua was thankful for God's Word, which helped him and gave him strength.
