Name: _____ Date: _____

Animal and Plant Cells

1. Powerhouse of the cell
2. Hold the cell organelles
3. Maintains homeostasis by controlling what gets in and out
4. Stores materials and moves them in and out of the cell
5. Boss of the cell; Home to DNA
6. Supports and Protects
7. Site of photosynthesis
8. Small part of cell that has a specific job
9. Organization of parts to form a living thing
10. Organism whose cells contain a nucleus within a membrane
11. Animal cells have a cell wall
12. Plant cells have a nucleus
13. The nucleus had 32 pairs of chromosomes
14. Mitochondria is the battery of the cell

A. False
B. Chloroplast
C. Cell Membrane
D. Vacuole
E. Nucleus
F. Mitochondria
G. Cytoplasm
H. Structure
I. Eukaryotic
J. Cell Wall
K. True
L. Organelle
M. False
N. True
