I- Watch this video :

<https://www.manutd.com/en/videos/detail/diogo-dalot-my-daily-routine-during-covid-19-lockdown>

II- Answer the questions :

- 1- Who is the person talking?
- 2- What is he talking about?
- 3- What is the word for "quarantaine" in English?
- 4- What does he say about his daily routine now?
It's a little
- 5- When he talks about his daily routine, what "frequency adverb" (=adverbe de fréquence) does he use?
- 6- Give other frequency adverbs or time expressions he could use?

III- Order the activities in the order they are given in the video (write 1, 2, 3 . .)

Sit down	Wake up
Play playstation	Watch some series and movies
Come back home	Wake up
Try to enjoy as much as I can	Stay with the family
Do some workout to keep my fitness	Walk my dog
Get up	Listen to some music, some podcasts
Be with the family	Sit down

At the end, he says "Basically, this is my **dead** routine". What does **dead** mean? (translate into French) :

IV- Now talk about your daily routine in quarantine (use the mindmap, expressions d'habitude). You can also use wordreference to look for vocabulary (activities).

Hello! So I'm going to tell you about my dead routine in this quarantine.

Basically this is my dead routine.
