Worksheet: You have to do it!

## Conversation 1.11

Mom: Luke, this room is a mess! Just look at it! There are clothes everywhere, and these socks. Whew! You have to put them in the laundry.
Luke: I wore these socks only once, mom.
Mom: Yeah, you put them on, on Monday, and today is Friday. This room smells like a zoo. When was the last time you cleaned Willie's cage?
Luke: Last week. I don't have to do it every day. Ferrets are clean animals.
Mom: You have to clean up this room today.
Luke: Can I do it tomorrow, mom?
Mom: No, you can't. You have to do it today.
Luke: But, mom, I have football practice, and after that, I have to . . .
Mom: Today, or you're grounded.
Luke: Mom, please . . . ?
