Section A: Analysing information

A grade 4 class has to choose a class leader for the new term. They had to choose between Kiara, Brooklyn and Xoliswa. Read about each pupil below and answer the questions that follow.

Kiara respects everyone in our class. Kiara listens to what we think before deciding what to do. Kiara is not afraid to say what is right , even when others do not agree.

All the teachers know **Xoliswa's** parents. They do a lot for the school. Xoliswa's dad bought the hockey teams new goalie kits. At times she can be a bit bossy but if we make Xoliswa class leader, we will get whatever we want.

Brooklyn is the strongest and scariest in the class and should be the leader. No one fights with Brooklyn. I think Brooklyn will make sure that no one fights with anyone in the class
