Read and answer:

Hi! Mi name is Allison and I'm eleven years old. I've got a camera but I haven't got a skipping rope.

Now, I'm watching my favourite programme on TV!

Every day, I get up at 9.00 and I have breakfast with my mum. It is my favourite meal of the day because we eat some fruits, bread and cheese!

In the evening, I do my homework with my sister. She is Kate and she is ten.

Today, we are going to the cinema. For dinner tonight, I would like to eat burgers and my sister would like to eat some noodles.
