This is my friend, Anna. She got up at half past six. After Anna got dressed, she ate her breakfast with bacon and toast. Then she went to school by bus. Her teacher, Ms. Brown, was already there. It was fun to be in Ms. Brown's class. She was a great teacher. Anna's classmates arrived and then they started the test. Anna tried to remember all the things her teacher had taught her that year and tried very hard to finish the test. The test took over an hour. After the test, the class played outside for a long time. Then they ate lunch. After lunch, they watched a funny movie until it was time to go home. It was a great day!
