

We really have to do it again soon. Maybe next time you can come, too! How about sometime next month? What do you think?

We had a great time. John loved his birthday present. Thanks for the idea! He knew nothing about it- it was a big surprise. We just told him we wanted to take him out for a special meal- he was really surprised when we arrived at kayaking centre!!

Speak soon,

Carola

Hi Ulrike, thanks for your email! Did you finish your work on time? How was

It was a fantastic day!! We did a three-hour trip down the river- all the way to the beach. It's really beautiful there. And the weather was perfect- warm, sunny, no wind. When we got back, we had a picnic under the trees. It was really quiet and peaceful- Tony and John went to sleep!
