

CUESTIONARIO PREPARATORIO - PRUEBA BIMESTRAL DE INGLÉS

A Very special Family

Hi, my name is Violet Parr, I'm 14 years old and I live in the centre of New York. Let me introduce you to my family, I'll start talking about my **youngest brother (1)** Jack Jack. He's only 1 years old, weights only 13 kilos and his main power is shape shifting, it means he can change into different forms. Then, I'll continue talking about my **younger brother (2)** Dash. He is 10 years old, but he can run faster than anyone in the family but I'm **stronger (3)** than him. He also has special powers like me. We can become invisible, and we have **elastic arms (4)** but mum says that we can't use our powers unless we are in **danger (5)**. To finish, I'll talk about my parents, they are Helen and Bob Parr. My mum is 37 years old and she is the **most intelligent (6)** in the family my dad is 39 and can **lift (7)** very heavy things so he's the strongest. We are a very special family as you can see. Now, tell me about yours, I'm sure that you have a very special family too.
