

Watch on Netflix "Black Mirror: The Entire History of You" until minute 4:30

Listen the movie until minute 1:17 and fill the gaps.

The conversation take place at an office before minute 1:17

A: Liam Foxwell, Welcome!

B: Thank you

A: Okay, Little speech time. I've been mentioning this to everyone about their appraisals, and I just want you to know that this isn't a witch hunt for the deadwood okay. It's much more of a treasure hunt for the gold. Shit sinks, but also cream floats.

B: Yes, yes I see that

C: A new era we are getting lots of play in, and your office could be at the centre for, is litigation in retrospective parenting cases.

B: Retrospective?

Woman: Bobby Sues Mum and Dad for Insufficient attention, leading to lack of confidence, leading to damages against earnings.

B: Right, and we're okay, the firm's okay with that ethically and morally?
