

Daily Routines

Hi! I am Rose. I usually wake up at 7:00 am and I get up 15 minutes later. After that I brush my teeth and I go to take a shower it takes me 5 minutes. At 7:30 am I get dressed and I have breakfast at 7:45 am. I brush my teeth again; I take my bag and I go to school at 8:00 am.

Now, rewrite the actions in the images in **3rd person** (remember the "s" at the final of the verbs), look at the example

She usually **wakes** up at 7:00 am and she **gets** up 15 minutes later.

2. Now read the text and connect the picture with the actions and the hour.

In the afternoon after arriving from school I have lunch at one o'clock.
I feed my cat fifteen minutes later and wash the dishes at five minutes to two.
At twenty past four I water the plants. Finally I go to sleep at half past seven.
