1. Read and answer the questions below

Participation Mechanisms In Colombia

According to article 103 of the Colombian Constitution, "they are mechanisms for the participation of the people in the exercise of their sovereignty:

- the vote
- the referéndum
- the plebiscite
- the popular consultation
- the open council
- the legislative initiative
- the revocation of the mandate

The Referéndum

It is the call that is made to the people to approve or reject a draft legal norm or to repeal or not a norm already in force.

the approval referendum is the submission of a draft legislative act or law for the consideration of the people so that they can decide whether to approve or reject it, totally or partially.
