Rena: I don't want to play video games anymore.

Let's invent something!

Nikos: That's a good idea. But what?

Rena: Use your imagination. We can think of something. I know. Let's make a robot!

Nikos: Sure. I don't know how, but let's try.

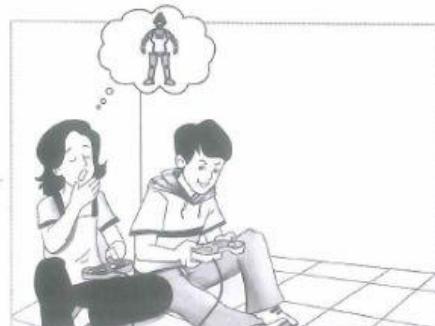

Rena: Oh, no. We have a problem.

How do we get it to move?

Nikos: Wait! I have a solution!

Let's add wheels.

Rena: Cool. I knew we could do it! If we work together, we can't fail.

3 What about you? Write your answers.

1. Think of the inventions you use every day. Which one is the most useful?

2. Why is it important to have a good imagination?

3. Are you a good friend? What do you do when a friend has a problem?

4. What advice do you give a friend who fails at something?
