POST

1. Read the story.

This morning, the mailman brought a letter to my house. He put it in my mailbox. I was happy. I ran to get it. I read the envelope. It was for my mother. I **gave** it to her. I **asked** her to **give** me the stamp. She **gave** the envelope to me. I got my scissors. I cut off the stamp. I put it inside my bag. I went to **see** my friend Sam. He likes collecting stamps. I **gave** it to him. He was happy. He **gave** me an apple. I like eating apples. So I was happy too.
