What do you like doing in your free time? At the university we have a lot of different clubs, so read on and find a club for you.

Do you like singing? If 'yes' then the singing club is for you! We meet every Monday and Thursday evenings from 8 p.m. until 10 p.m. Then on the third Thursday of every month we have a show. A lot of people from the town come and watch our shows. Come and see our club. It is free!

Do you like watching films but hate going to the cinema? Then the cinema club is perfect for you! Every Friday evening we watch a new film at the university and then we talk about the film. It's a great way to see films and make new friends and at £5 it isn't expensive. Come this Friday and meet the club.

What do you like doing to relax? A lot of students enjoy doing things like playing sports or running, but these things are not for all people. Students also like doing yoga to relax. Our yoga classes start every Saturday morning at half past nine. The price is £6 for each class or you can book three classes for £15.

Do you love eating but hate cooking? We know that eating out is expensive and that fast food is not good. So, come to our club and learn how cooking can be fun. The classes are on Monday evenings from 7:45 in the university restaurant. We have six classes for each course and the price is £72, but you can eat the food you cook!
