Everybody's Changing

Keane

You say you wander your own **hand/land**
But when I think about it
I don't **see/sleep** how you can

You_____(ache), you_____(break)
And I can see the pain in your eyes
Says, everybody_____(change)
And I don't know why

So little time, try to understand that I_____(try) to make a move just to stay in the game
I try to stay ekwaa_____ and remember my name
But everybody's changing and I don't feel the same

You're gone from here
Soon you will disappear
Fading into beautiful **night/light**
'Cause everybody's changing
And I don't feel **good/right**

So little time, try to understand that I'm
Trying to make a move just to stay in the game
I try to stay awake and remember my name
But everybody's changing and I don't feel the same

So little time, try to understand that I'm
Trying to make a move just to stay in the game
I try to stay awake and remember my name
But everybody's changing and I don't feel the same

Everybody's changing and I don't feel the same
