

# Everybody's Changing

Keane

You say you wander your own **hand/land**  
But when I think about it  
I don't **see/sleep** how you can

You \_\_\_\_\_(ache), you \_\_\_\_\_(break)  
And I can see the pain in your eyes  
Says, everybody \_\_\_\_\_(change)  
And I don't know why

So little time, try to understand that I \_\_\_\_\_(try) to make a  
move just to stay in the game  
I try to stay ekwaa \_\_\_\_\_ and remember my name  
But everybody's changing and I don't feel the same

You're gone from here  
Soon you will disappear  
Fading into beautiful **night/light**  
'Cause everybody's changing  
And I don't feel **good/right**

So little time, try to understand that I'm  
Trying to make a move just to stay in the game  
I try to stay awake and remember my name  
But everybody's changing and I don't feel the same

So little time, try to understand that I'm  
Trying to make a move just to stay in the game  
I try to stay awake and remember my name  
But everybody's changing and I don't feel the same

Everybody's changing and I don't feel the same
