

The Hour

Telling the time:

What time is it? (¿Qué hora es?)

It is ... (Son las...)

How do we read the time?

When the minute hand (aguja de los minutos) is on the side of "past" we write the hour like this:

Example. 2:15=quarter past two
(dos y cuarto)

And when the minute hand is on the side of "to" we write the hour like this:

Example. 2:45= quarter to three
(Quince para las tres)
