**Language Focus: Articles : a, an**

**Use it Right**

Did you notice the words in bold? They are called indefinite articles.

- '**a**' is usually used when the singular noun that comes after begins with a consonant:  
**a** boy, **a** dog, and **a** pen
- '**an**' is usually used when the singular noun that comes after begins with a vowel:  
**an** apple, **an** egg, and **an** ant.
