A- Read the story and answer TRUE or FALSE: _____/5

The hungry dragon

Deep in the mountains lived a dragon. Every hundred years he gets up. He is very hungry. 'I want some breakfast,' he said. He went down the mountain to the village. He saw a boy. 'Yum, a boy for breakfast!' 'Don't eat me!' said Sam. 'I'll give you some food.' Sam took the dragon to his house. He ate three plates of chicken and rice. 'I'm still hungry,' said the dragon. Sam gave the dragon more food. He ate five plates of pasta and ten eggs. He was still hungry! They went to the restaurant. The dragon ate twenty hamburgers and fifty fish with twelve plates of sticky rice. After that he ate six chocolates and a cake. He was still hungry! They went to the shop. The dragon ate all the fruit and vegetables: mangoes and apples, tomatoes, mushrooms and carrots. He was still a bit hungry! Sam looked in his pocket. There was one sweet. He gave the sweet to the dragon. The dragon exploded! 'Hooray!' shouted Sam. 'The dragon is gone! No more boys for breakfast!'

Are these sentences TRUE or FALSE?

1- The dragon lived deep in the sea _____
