It's the circle of

And it moved us

Through despair and

Through faith and

'Till we find our

On the path

In the circle, the circle of

life

love

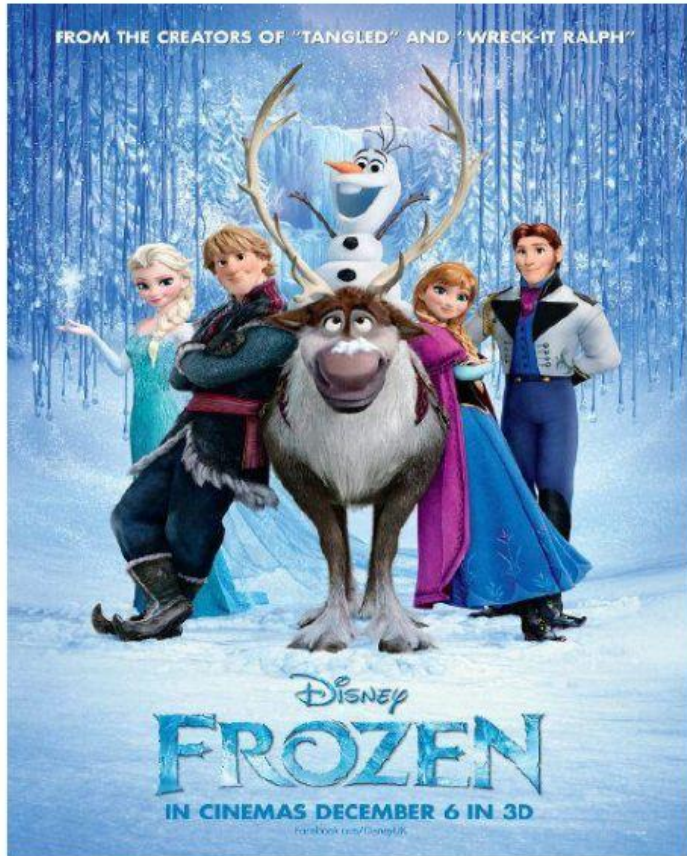

unwinding

life

all

place

hope

Let it go, let it

Can't hold it back

Let it go, let it

Turn away and slam the

I don't care what they're going to

Let the storm

The cold never bothered me

go          anyway          door          say

anymore          go          rage on
