|-----------------------------|---------------------------------------|
| 1. Common love isn't for us |                                       |
| 2. ....                     | Nothing on this planet compares to it |
| 3. <i>Don't you agree?</i>  | We created something phenomenal       |
| 4. <i>Don't you agree?</i>  | When I got you next to me?            |
| 5. ....                     | Who needs to go to sleep              |
| 6. ....                     | You got me feeling diamond rich       |
| 7. <i>Don't you agree?</i>  |                                       |
| 8. <i>Don't you agree?</i>  |                                       |
| 9. ....                     |                                       |
| 10. ....                    |                                       |

CHORUS		All night, I'll riot with you
		Baby, keep on dancing like you ain't got a choice
		I know you got my back, and you know I got you
		Let's get physical
		Let's get physical
		Lights out, follow the noise
		So come on (come on), come on..., come on...
		So come on (come on), come on..., come on....

- |                                    |                                       |
|------------------------------------|---------------------------------------|
| 11. Adrenaline keeps on rushing in | 'Cause this one's pretty nice         |
| 12. ....                           | I don't wanna live another life       |
| 13. <i>Don't you agree?</i>        | Love the simulation we're dreaming in |
| 14. <i>Don't you agree?</i>        | Living it up                          |
| 15. ....                           | When I got you next to me?            |
| 16. ....                           |                                       |
| 17. ....                           |                                       |
| 18. Who needs to go to sleep       |                                       |
| 19. ....                           |                                       |

### Chorus

- |          |   |
