

Cálculo mental

Resuelve las siguientes operaciones.

$8 + 3 = \square$

$7 + 5 = \square$

$6 + 7 = \square$

$9 + 6 = \square$

$10 - 7 = \square$

$16 - 6 = \square$

$12 - 5 = \square$

$20 - 4 = \square$

   

7						2
+						=
+						-
1						12
=						=
15	-		=	5	+	

Red arrows indicate the flow of the calculation: down the left column, across the bottom row, and up the right column.
